

Questions & Answers #2

1. Can you please outline and provide some detail as to the services that are offered and need to be tracked by the solution (ie: Physical Medicine; Behavioral Health; etc)
behavioral health and case management. Please see out website for our annual report with program descriptions.
2. Can you please provide some specifics around the 60 proposed users (ie: quantity/title of clinical providers: MD's; Midlevels; License Clinical Social Workers; administrative staff; nurses; etc) We have 1 MD. The majority of the users are social workers, the rest are fiscal, clerical or administration.
